Dear Sisters:

In accordance with your note of Nov. 8th, I am sending you three copies of "Spanish Songs of Old California"; but I am glad to give the library and school discount to the dear old St. Vincent, which has many gentle and tender memories for me for more than a third of a century. I wish I could afford to make a present of the copies to your noble institution; but I am billing them at the 20% discount, which is the best in my power.

Sincerely yours,
